CALL FOR PAPERS

Call for Papers: SCINTIA

For Volume 3, 2025 Edition

Scintia invites submissions for its third volume, centered on the theme: “Intersections: Exploring Entanglement across Society, Science and Literature” We seek critical, thought-provoking contributions that explore how the diverse politics of representation intersect, clash and evolve across disciplinary boundaries in academia, the arts, sciences, media, technology and beyond.

This is an open issue—we welcome original research articles and reviews engaging with this theme from multiple angles.

Possible Sub-Themes:

Submissions may address, but are not limited to the following broad areas:

Social Sciences and Humanities :

- Political dynamics and governance systems
- Media studies and communication research
- Gender studies and identity politics
- Migration and social transformation
- Cultural studies and literary criticism
- Environmental and ecological research
- Communication and Artificial Intelligence
