

FOREWORD

The second volume of *SCINTIA* - a peer reviewed multi-disciplinary journal of Netaji Satabarshiki Mahavidyalaya is being published online with ten articles. The articles encompass various aspects of **Science**, **Literature**, **Social Science** along with **Performing Arts**. In this volume articles relating to **Cultural** and **Area Studies** have also found their place. The journal strives towards innovative research work in bilingual approach. I believe that this volume will leave profound inscription on study of the subjects that have been dealt with in this issue.

Articles of teachers and researchers from not only our college but also eminent professors and research scholars from outside have enriched this volume. Peers from various segments of the country and abroad have facilitated us a lot to uphold the desired standard in publishing through their contributions. I remain obliged to all of them. I am also grateful to editors Dr. Hena Biswas, Mst. Rosona Khatun along with the Editorial Board Members for their enormous effort to publish this volume. I also pay my regards to the Convenor of the Research Committee and Coordinator IQAC for their constant support and encouragement. I solemnly look forward to further publication of upcoming volumes in foreseeable future.
